The editorial group responsible for this previously published document have withdrawn it from publication.

REASON FOR WITHDRAWAL

The protocol is abandoned by the authors as the identified studies are of poor quality and of unmanageable number. Thus, new reviews, with specific medicinal herbs for chronic hepatitis B virus infection, are in progress.

WHAT'S NEW

Date	Event	Description
5 September 2018	Amended	The protocol is withdrawn as new, more focused reviews are under preparation
